

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

DOCKET NO. 20220069-GU - Petition for rate increase by Florida City Gas.

Witness: Direct Testimony of **Angela L. Calhoun**, Florida Public Service Commission;  
Appearing on Behalf of the Staff of the Florida Public Service Commission.

DATE FILED: September 12, 2022

1 DIRECT TESTIMONY OF ANGELA L. CALHOUN

2 Q. Please state your name and address.

3 A. My name is Angela L. Calhoun. My address is 2540 Shumard Oak Boulevard;  
4 Tallahassee, Florida 32399-0850.

5 Q. By whom are you employed and in what capacity?

6 A. I am employed by the Florida Public Service Commission (FPSC or Commission) as  
7 Chief of the Bureau of Consumer Assistance in the Office of Consumer Assistance &  
8 Outreach.

9 Q. Please give a brief description of your educational background and professional  
10 experience.

11 A. I graduated from Florida State University in 1993 with a Bachelor of Arts degree. I  
12 have worked for the Commission for more that 22 years, and I have experience in  
13 consumer complaints and consumer outreach. I work in the Bureau of Consumer  
14 Assistance within the Office of Consumer Assistance & Outreach where I manage  
15 consumer complaints and inquiries.

16 Q. What is the function of the Bureau of Consumer Assistance?

17 A. The Bureau's function is to resolve disputes between regulated companies and their  
18 customers as quickly, effectively, and inexpensively as possible.

19 Q. Do all consumers that have a dispute with their regulated company contact the Bureau  
20 of Consumer Assistance?

21 A. No. Consumers may initially file their complaint with the regulated company and reach  
22 a resolution without the Bureau's intervention. In fact, consumers are encouraged to  
23 allow the regulated company the opportunity to resolve the dispute prior to any  
24 Commission involvement.

25 Q. What is the purpose of your testimony?

1 A. The purpose of my testimony is to discuss/outline the number of consumer complaints  
2 logged with the Commission against Florida City Gas under Rule 25-22.032, Florida  
3 Administrative Code, Consumer Complaints, from July 1, 2017, to June 30, 2022. My  
4 testimony will also provide information on the type of complaints logged and those  
5 complaints that appear to be rule violations.

6 Q. What do your records indicate concerning the number of complaints filed for Florida  
7 City Gas.

8 A. From July 1, 2017, through June 30, 2022, the Commission logged 584 complaints  
9 against Florida City Gas. Of those, 489 were transferred to the company for resolution  
10 via Commission's Transfer-Connect (Warm-Transfer) System. This system allows the  
11 Commission to directly transfer a customer to Florida City Gas' customer service  
12 personnel. Once the call is transferred to Florida City Gas, the Company can provide  
13 the customer with a proposed resolution.

14 Q. What have been the most common types of complaints logged against Florida City Gas  
15 during the period of July 1, 2017, through June 30, 2022?

16 A. During the specified time period, approximately fifty-two (52%) percent of the  
17 complaints logged with the Commission concerned billing issues, while approximately  
18 forty-eight (48%) percent of the complaints involved quality of service issues.

19 Q. Do you have any exhibits attached to your testimony?

20 A. Yes. I am sponsoring ALC-1 and ALC-2, which are listings of consumer complaints  
21 logged with the Commission against Florida City Gas under Rule 25-22.032, Florida  
22 Administrative Code. The complaints listed were received between July 1, 2017,  
23 through June 30, 2022, and were captured in the Commission's Consumer Activity  
24 Tracking System (CATS). Exhibit ALC-1 lists quality of service complaints and  
25 Exhibit ALC-2 lists billing complaints. Both exhibits group the complaints by Close

1 Type.

2 Q. What is a Close Type?

3 A. A Close Type is an internal categorization code. It is assigned to each complaint once  
4 staff completes its investigation, and a proposed resolution is provided to the  
5 consumer.

6 Q. Do you have any additional exhibits?

7 A. Yes. Exhibit ALC-3 is a listing of complaints resolved as Close Type GI-02, Courtesy  
8 Call/Warm Transfer.

9 Q. Can you explain Close Type GI-02?

10 A. Yes. Florida City Gas participates in the Commission's Transfer-Connect (Warm-  
11 Transfer) System. This system allows the Commission to directly transfer a customer  
12 to the company's customer service personnel. Once the call is transferred to Florida  
13 City Gas, it provides the customer with a proposed resolution. Customers who are not  
14 satisfied with the company's proposed resolution have the option of re-contacting the  
15 Commission. While the Commission is able to categorize each of the complaints in the  
16 GI-02 category, a specific Close Type is not assigned because the proposed resolution  
17 is provided by the company. Consequently, the GI-02 Close Type only allows staff to  
18 monitor the number of complaints resolved via the Commission's Transfer-Connect  
19 System.

20 Q. How many of the complaints summarized on your exhibit has staff determined may be  
21 a violation of Commission rules for Florida City Gas?

22 A. Staff determined that, of the 584 complaints logged against Florida City Gas during the  
23 period of July 1, 2017, through June 30, 2022, there was one service quality complaint  
24 and four billing complaints that appear to demonstrate a violation of Commission  
25 Rules.

1 Q. Does that conclude your testimony?

2 A. Yes.
