Commissioner Gabriella Passidomo,

Docket No. 20220001-EI

DO NOT INCREASE MY RATES.

I am writing as a concerned Florida resident and a electricity customer. I received notification that FPL intend to increase rates for customers like me. I am urging you to reject these proposals and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to recover financially from the pandemic. We are all inundated with price increases on everything.

You need to reject these rate increases at this time.

How many rate increases are you going to approve? When is enough enough? When will you stand up for your own mission of setting fair rates?
