Subject: Docket No. 20220001-EI: No new electric rate hikes!

Florida Public Service Commission Clerk,

Docket No. 20220001-EI

I am writing as a concerned Florida resident and a electricity customer. I received notification that FPL, Duke and Tampa Electric intend to increase rates for customers like me.

Just say NO.

My electric bill is too big now as is everyone's I know.

It is outrageous that these companies are taking in record profits and still raking their customers over the coals.

Who is standing up for everyday people? I hope it is you.
