Docket No. 20220035-WS

An 50% increase in a senior's mobile home park is not acceptable because we are on a fixed income. I realize you need more money to run Utilities, however an \$10.00 increase would be more acceptable. With 1000+ mobile home sites in the three parks it would give \$120,000.00 more a year to operate.

That should be enough.
