CUSTOMER COMMENTS
We feel that this is a large jump in payment
in water payment all at once. Small increments
over a period of time we feel would be more
appropriate. We often have all without clean
water or on boil advisories we have a great
drainage problem that needs to be taken
care of with the the large sum of over
1/2 million dollars a year before those costs
of water are sent to the residents of Hidden Cove.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and / or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or any member of the media.
