Subject: The Unwarranted Monetary Penalizing Factor ?

FPSC Commissioners FPL Chairman Eric Silagy

Good Day !

FPSC Docket No. 20210015 FPL Account No. 26582 57510

Note : Attached Letter Request.

Ref: The Unwarranted Minimum Rate Increase By FPL Towards Senior Citizen Veterans.

As promised, my attached letter request has been forwarded to Florida Governor Ron DeSantis.

In the interim I sincerely hope that the Governor will order a thorough investigation In order to

honestly determine as to why the FPSC granted their approval to the minimum rate

increase that directly penalizes individuals such as myself for no good cause.

The FPSC made a honest mistake when they irresponsibly approved of the request by FPL.

Thank You.

Kind Regards,

Michael J. Walsh

Ref: The FPSC & FPL Questionable Rate Increase Agreement?

Dear Governor DeSantis,

I am writing to request your direct assistance as FPL has recently been granted permission by the FPSC to monetarily penalize me for my lower monthly KWH usage, when in essence I should have been commended by FPL for the sacrifice that I have made towards lowering my electrical usage. I have been a loyal customer of FPL since the year 1976, and I have always paid my electrical bill on time.

In the interim I still cannot fathom as to how the FPSC could have approved of such a request that inappropriately penalizes individuals such as myself for no good cause. I am a Senior Citizen Veteran, and reside in a single household.

I have politely asked FPL to request that the approval be amended in order to exempt individuals such as myself to no avail as FPL has failed to acknowledge same?

I am requesting that your office order a thorough investigation in order to ascertain as why the FPSC has failed to take into consideration as to how it would monetarily affect individuals such as myself.

Thank You Governor.

Respectfully,
