CUSTOMER COMMENTS

We understand the need for a cost of living increase. This seems to be way beyond that we have an abundance of water breaks in this park and have way to many ~~water breaks~~ boil water notices and are never provided bottled drinking water. This is an excessive rate increase.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and / or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or any member of the media.
