RE: Docket 20200001-EI - In re: Fuel and purchased power cost recovery clause with generating performance incentive factor.

This docket was open pending the resolution of Florida Supreme Court Case No. SC20-1601. The Court has ruled upon this appeal and has denied the appellants' Motion for Reconsideration. The adjustments that need to be made based upon the Supreme Court's decision, if any, are currently at issue in Docket 20220001-EI. That being the case, no further action is required in this docket and it can be closed.
