**Ref: The FPSC & FPL Questionable Rate Increase Agreement?**

**Dear Governor DeSantis,**

**I am writing to request your direct assistance as FPL has recently been granted permission by the FPSC to monetarily penalize me for my lower monthly KWH usage, when in essence I should have been commended by FPL for the sacrifice that I have made towards lowering my electrical usage. I have been a loyal customer of FPL since the year 1976, and I have always paid my electrical bill on time.**

**In the interim I still cannot fathom as to how the FPSC could have approved of such a request that inappropriately penalizes individuals such as myself for no good cause. I am a Senior Citizen Veteran, and reside in a single household.**

**I have politely asked FPL to request that the approval be amended in order to exempt individuals such as myself to no avail as FPL has failed to acknowledge same?**

**I am requesting that your office order a thorough investigation in order to ascertain as why the FPSC has failed to take into consideration as to how it would monetarily affect individuals such as myself.**

**Thank You Governor.**

**Respectfully,**
