TALLAHASSEE, FLORIDA

1 P R O C E E D I N G S

2 COMMISSIONER GRAHAM: Good morning, everyone.
3 Come on. We can do better than that. Good
4 morning.

5 (Good morning from the audience.)

6 COMMISSIONER GRAHAM: There we go.

7 I have to tell you it's great seeing all the
8 pink ties, and pink shirts, and pink blouses. And
9 as most of you know, this is the beginning of
10 breast cancer awareness month, and it's always been
11 one of those things that's been near and dear to my
12 heart, and I thank all of the staff and my
13 colleagues that all participate. Every year it
14 looks good, and I am very, very happy to see it
15 all. I am very proud of all you guys.

16 Before we get to the invocation and pledge,
17 Commissioner Passidomo and Commissioner Clark
18 wanted to say a couple of words about the hurricane
19 that we just dealt with, and we will go from there.

20 Commissioner Passidomo.

21 MS. PASSIDOMO: Thanks, Commissioner Graham.

22 I just wanted to extend my thoughts to, you
23 know, all the Floridians that were impacted, but
24 particularly those most severely impacted in
25 Southwest Florida.

1 I was born and raised in Naples. And, you
2 know, as a, like, when you grow you in a coastal
3 community, you know it's possible, but you don't
4 know -- you can't really, like, conceptualize it
5 until it actually happens, so -- but I will say I
6 have been really encouraged by our community and
7 the community outreach, and it's -- and everybody
8 reaching out to me and my family.

9 So tomorrow I am going to go down and just be
10 with them and helping in the restoration efforts
11 any way that I can, so -- but just thank you for
12 giving me the time to just say a few words for all
13 those people we are thinking and praying about you,
14 so thank you.

15 COMMISSIONER GRAHAM: Commissioner Clark.

16 COMMISSIONER CLARK: I just want to say as
17 well, our hearts go out to the individuals who are
18 suffering through the damages that this hurricane
19 caused. Four years ago, the Panhandle went through
20 a very similar incident, and we are still, four
21 years later, seeing the effects. It's going to be
22 a long recovery process.

23 I just want to encourage those individuals who
24 are experiencing -- still experiencing power
25 outage, who have experienced the loss of their

1 homes, to remain strong, and there is hope, and the
2 state of Florida is a resilient state. We are
3 resilient people, and we are going to do everything
4 in our power to make sure that we build back
5 better, we build back stronger, and that we help to
6 restore the lives of these individuals that have
7 been affected. And I just want to let everyone
8 know that our thoughts and prayers continue to be
9 request them, Mr. Chairman.

10 COMMISSIONER GRAHAM: Commissioner Clark, can
11 you do the invocation, please?

12 COMMISSIONER CLARK: Be glad to.

13 Will you stand and join me in prayer, please?

14 (Invocation and Pledge of Allegiance.)

15 COMMISSIONER GRAHAM: Okay. Let the record
16 show it is Tuesday, October 4th, and this is our
17 Agenda Conference. We will call this meeting to
18 order.

19 On our agenda today, we have Items No. 1, 2,
20 3, 9, 11, 12 on move staff. We are deferring Items
21 10 and Items 13, and Items 4 through 8 we will take
22 up at the end of the agenda.

23 That all being said, let's turn back around to
24 Item No. 1, the Consent Agenda, if I can get a
25 motion.

1 COMMISSIONER CLARK: Move approval, Mr.
2 Chairman.

3 COMMISSIONER LA ROSA: Second.

4 COMMISSIONER GRAHAM: It's been moved and
5 seconded the Consent Agenda.

6 All in favor say aye.

7 (Chorus of ayes.)

8 COMMISSIONER GRAHAM: Any against?

9 (No response.)

10 COMMISSIONER GRAHAM: Therefore, your action
11 -- excuse me, the Consent Agenda has passed.

12 (Agenda item concluded.)
