Subject: Docket No. 20220001-EI: No new electric rate hikes!

Florida Public Service Commission Clerk,

Docket No. 20220001-EI

I am writing as a concerned Florida resident and a electricity customer. I received notification that FPL, Duke and Tampa Electric intend to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to recover financially from the pandemic. We are all inundated with price increases on everything.

I urge you to reject these outrageous rate increases at this time.

How many more billions do you think you need? It is time for you to get back to the basics of life...no private jets, mansions, etc..start living in a sensible budget! If you don't know how,

contact me and I will create a sensible budget for you to live by!

There is NO NEED for you to have any kind of an increase..Sincerely, Cor-Nan Coldiron
