CUSTOMER COMMENTS
We shouldn't have such a big increase on our water. Have the time the water gets turned off for repairs, when that happens we should get credit. Also it is crazy that the rent gets raised \$40. w. people are on fixed income. We have to pay for trees to be cut when the park owns the land. And what is with real estate taxes. Why's real estate taxes are we paying for the park if the owner decides to sell. I think we should own our land and pay property taxes. We pay for everything anyway. People could complain and HA does nothing to help us seniors.
