Subject: FPL rate increase

Dear Commissioner Fay,

I wrote to you office back on October, 28, 2022 about your upcoming vote to increase the FPL rates. To date I have not received a reply which I requested on your web site. So, that tells me how unprofessional you and the commission are. Also, it shows you're not in the best interest of the taxpayers and voters in Florida. Being you're appointed by the Governor, and not dependent on the voter, I'm sure your job is secure.

It would be really nice if the PSC would vote in favor of the people of Florida and reject any rate increase by FPL. I'm sure FPL has no intensions of lowering any rate now or in the future. They will tell you everything you want to hear to get what they want. I'm sure they would have your Christma\$ card in the mail.

Thank you taking time to hear what I have to say. I will look forward to seeing your reply!

Regards,

John A. Whitfield
