**Re: Docket No. 20220185-WS - Application for limited alternative rate increase in Hardee, Manatee, Marion, Polk, and Pasco Counties, by Charlie Creek Utilities, LLC, Crestridge Utilities, LLC, East Marion Utilities, LLC, Heather Hills Utilities, LLC, Holiday Gardens Utilities, LLC, Lake Yale Utilities, LLC, Leighton Estates Utilities, LLC, McLeod Gardens Utilities, LLC, Orange Land Utilities, LLC, Sunny Shores Utilities, LLC, Sunrise Water, LLC and West Lakeland Wastewater, LLC.**

Dear Mr. Smallridge:

On January 10, 2023, the Commission voted to deny your petition to waive Rule 25-30.020(2)(f), Florida Administrative Code, which pertains to the filing fees required for processing your application for a limited alternative rate increase (LARI). In addition, FUS1 has filed an amendment to the application to include Leighton Estates Utilities, LLC (Leighton). You were previously advised that the filing fee for the application is \$13,000. With the addition of Leighton, the filing fee requirement is now \$13,500. Please submit the filing fee on or before February 9, 2023. The official filing date will be the date the filing fee is paid. If the filing fee is not paid within that timeframe, the application will be deemed denied. If you have any questions, please feel free to contact Shannon Hudson at 850-413-7021 or [shudson@psc.state.fl.us](mailto:shudson@psc.state.fl.us).

Sincerely,

A handwritten signature in blue ink that reads "Judy Harlow".

Judy Harlow, Director  
Division of Economics
