Subject: Docket No. 20200181; Put us on a path to lower power bills through energy efficiency

Dear Florida PSC Commissioners,

The world needs you to improve energy efficiency so we can fight climate change together. Also, the low elevation of Florida makes the state susceptible to sea level rise. Please improve the energy efficiency standards to slow climate change and save rate payers money.

Sincerely,
Nancy Power
Rockingham, NC 28379
