Details:

I am a disabled woman living solely on disability . Tell me how I'm supposed to live on 1000.00 a month when my electric bill has doubled since fp&l took over and now they want another increase ? It's bad when I have to choose between my meds and my electric. Someone please do something to help ! No more increases. Stop donating funds and help the poor people in this community that are on limited funds due to disabilities
