Dear Commissioner

Since FPL took over the Florida Panhandle, my service has dramatically increased to the point I have to choose food or medical care. I'm on a fixed income. With no competition, I am both forced and trapped by FPL for service. The service and added surcharges are completely Ridiculous and unnecessary. There has to be a Stop to this company raping us. No more increases and add some competition to this monopoly!

Thank you,

James Beard,Sr
