**Subject:** Investigate FPL

Dear Commissioner Clark,

I urge you to begin an immediate investigation into Florida Power and Light in order to determine whether its charter to operate in the state of Florida should be revoked.

As you are surely aware, FPL CEO Eric Silagy stepped down suddenly after highly credible allegations of campaign finance violations, media manipulation, and the surveillance of critical journalists:

<https://www.npr.org/2023/01/25/1151453870/fpl-florida-power-ceo-eric-silagy>

To call this behavior unethical would be an understatement. FPL appears to have violated the public trust and manipulated the political system to increase its profits at the expense of ratepayers who have no choice but to pay them for their power.

A company so blatantly working against the public interest must no longer be allowed to do business in Florida.

Please investigate FPL and determine whether it is necessary to revoke their charter.

Sincerely,

Ruchi Stair
