Subject: Docket No. 20220203-WS, C.F.A.T. H2O amendment

Dorothy,

On March 1, 2023, staff requested that the subject docket title be changed to reflect that the water certificate was being amended in addition to the wastewater certificate, and that territory would be deleted as well as added. The Utility had filed a letter in the docket file on January 17, 2023, requesting its application be amended to include deletion of territory. At that time, staff did not realize that including deletion of territory in the application would disqualify the application from “quick-take” status.

Please change the docket title as noted below to remove the reference to a “quick-take” amendment, from:

"Application for quick-take amendment of water Certificate No. 552-W and wastewater Certificate No. 481-S in Marion County, by C.F.A.T. H2O, Inc."

to

"Application for amendment of Certificate Nos. 552-W and 481-S in Marion County, by C.F.A.T. H2O, Inc."

If you have any questions, please let me know.
