COMPLAINT INFORMATION

Complaint: Improper Billing against Florida Power & Light Company

Details:

FPL is price gouging NWFL residents. Charging 70% more than the national average and more than GA, AL, and South FL residents. FPL made 3.7 billion in net profit in 2022 and 3.2 billion in 2021. Their ROI is the maximum allowed by law for a state sanctioned monopoly. And the PSC just approved them for another 8% increase. This isn't a public utility. It is coercive, fraudulent, extortionary racket.
