**COMPLAINT INFORMATION**

**Complaint:** Other Complaints against Florida Power & Light Company  
**Details:**

I'm sure as many consumers I'm tired of you allowing these for profit companies to increase our bill and our taxes covering the repair needed after a storm. What does their investors pay for? I have solar and I'm not allowed to disconnect so they can continue to charge me for their mistakes. I'm sure you will do nothing regarding this complaint and allow the rich to get richer.
