In re: Petition by Florida Power & Light
Company for Base Rate Increase and Rate
Unification

Docket No. 20210015-EI

Filed: March 17, 2023

**FLORIDA POWER & LIGHT COMPANY'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF
CERTAIN INFORMATION PROVIDED IN ITS RESPONSES TO
FEDERAL EXECUTIVE AGENCIES'S FIRST REQUEST FOR
PRODUCTION OF DOCUMENTS NO. 7.**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification for certain information provided in its response to Federal Executive Agencies' ("FEA") First Request for Production of Documents No. 7 (the "Confidential Information"). In support of its Request, FPL states as follows:

1. On June 28, 2021, FPL filed a Request for Confidential Classification of the Confidential Information (Document No. 07058-2021). By Order No. PSC-2021-0367-CFO-EI issued September 17, 2021, the Commission granted FPL's June 28, 2021 Request for Confidential Classification. FPL herein adopts and incorporates by reference the June 28, 2021 Request for Confidential Classification and Order No. PSC-2021-0367-CFO-EI.

2. The period of confidential treatment granted by Order No. PSC-2021-0367-CFO-EI will expire on March 17, 2023. The Confidential Information that was the subject of FPL's June 28, 2021 Request and Order No. PSC-2021-0367-CFO-EI warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly, FPL hereby submits this First Request for Extension of Confidential Classification.

3. All of the information designated in Exhibits A and B to the June 28, 2021 Request remains confidential. Accordingly, those exhibits will not be reproduced or reattached here.

4. Regarding First Revised Exhibit C, all of the information listed in the June 28, 2021 Request remains confidential; the Exhibit is revised only to identify Scott Bores as a new declarant, who is sponsoring information that was previously sponsored by Robert Barrett.

5. Also included is First Revised Exhibit D, which consists of the declaration of Scott Bores.

6. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. As stated in FPL June 28, 2021 Request and as described in the declaration included as First Revised Exhibit D, the Confidential Information consists of information competitive business information the disclosure of which would impair the competitive business of the provider of the information. Specifically, the information relates to credit and equity analyses performed by rating agencies. This information is protected by Sections 366.093(3)(e), Fla. Stat.

8. Upon a finding by the Commission that the Confidential Information is proprietary confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. See § 399.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and declarations, FPL respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

FLORIDA POWER & LIGHT COMPANY
