Re: Docket No. 20220201-WU – Request for 2022 & 2023 Index Consideration

Dear Commission Clerk,

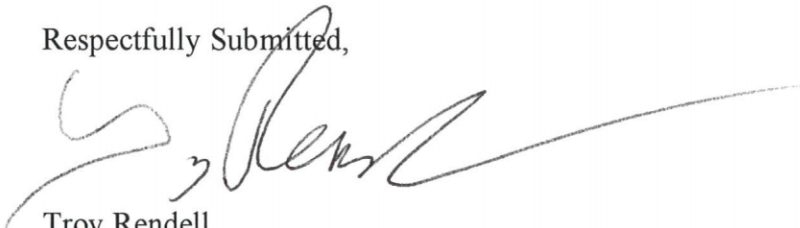

On November 14, 2022 Florida Community Water Systems, Inc. (FCWS) filed for a revenue neutral rate restructuring limited proceeding. This request was based upon the service revenues year ending 2021.

In June 2022, FCWS received FPSC staff approval of its requested 2022 price index increases. FCWS also plans to file for the 2023 price index after April 1, 2023.

FCWS hereby requests that the FPSC consider including both the 2022 and 2023 index increases when it calculates the appropriate uniform rate restructuring.

If this is not included in staff's calculations, FCWS will be denied its appropriate statutory indexes of operation and maintenance expenses for both 2022 and 2023.

Respectfully Submitted,

Troy Rendell
Vice President
Investor Owned Utilities
