Re: Fuel and Purchased Power Cost Recovery Clause with Generating
Performance Incentive Factor; FPSC Docket No. 20230001-EI

Dear Mr. Teitzman:

The Order Establishing Procedure in the above matter calls for the filing of utility testimony and hedging activity supplemental reports for the period August through December 2022 on this date. This is to advise that, pursuant to paragraph 11(a) of the settlement agreement approved in Order No. PSC-2017-0456-S-EI, that the company is operating under a hedging moratorium. The company did not enter into any new hedging contracts through December 31, 2022. Accordingly, no testimony or hedging activity supplement report is being filed.

Thank you for your assistance in connection with this matter.

Sincerely,

A handwritten signature in blue ink that reads 'Malcolm N. Means'.
