Subject: PROTEST

I am writing to protest the bias of the Florida Public Service Commission against consumers.

The FPSC bias toward FPL allowed FPL to start charging a base rate instead of actual amount with NO NOTICE. The actual amount was one half the base rate that FPL switched to. From this windfall allowed by the biased FPSC, now FPL is offering a refund. Because of the biased FPSC it is allowing FPL to collect money from poor people and refunding it to everybody.

The BIASED FSPC is urged to tell FPL to charge actual amount instead of the significantly higher base rate FPL charges.
