CUSTOMER COMMENTS
Hi! These are my feelings on the water rate increase for Sunny Shores -
I feel that all full-time residents should accept the increase in water rates and anyone who resides there 6 months or less a year should remain the same.
At some point in the next few years, I plan on becoming a full-time resident and at that time, I would be more than happy to pay more for my water so that they are not operating at a deficit. Thank-you for listening ☺
