**Subject:** We Can't Afford Higher Rates from FPL

Commissioner Mike LaRosa,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I am paying nearly \$100 more per month for the SAME usage and temperatures. I am urging you to decrease rates and lower our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially as my husband and I are expecting our first child to be born in July.

I urge you to reconsider this rate increase.
