**STAFF'S SECOND DATA REQUEST  
VIA EMAIL**

**Re: Tampa Electric Company's 2022 Storm Protection Plan (SPP) Annual Status Report**

Dear Mr. Means:

By this letter, the Florida Public Service Commission staff requests that Tampa Electric Company (TECO or Utility) provide a response to the following data request:

1. Please refer to TECO's response to staff's first data request, number 2. TECO provided the table from page 65 of its SPP Annual Report as a response to staff's question. However, it appears that this table only includes costs recovered through TECO's SPPCRC and does not include costs associated with the Company's Distribution Vegetation Management – Unplanned, Distribution Pole Replacements, or Legacy Storm Hardening SPP programs, which are recovered through base rates.

Please provide the dollar amounts, instead of percentages, for the chart, labeled "Tampa Electric's Storm Protection Plan 'Total Cost' Customer Bill Impacts (in percent)," on page 64 of TECO's SPP Annual Status Report.

Please file all responses electronically no later than **July 3, 2023**, via the Commission's website at [www.floridapsc.com](http://www.floridapsc.com), by selecting the Clerk's Office tab and Electronic Filing Web Form (reference Docket No. 20230000-OT). If you have any questions, please contact me by phone (850) 413-6518 or email at [pbuys@psc.state.fl.us](mailto:pbuys@psc.state.fl.us).

Sincerely,
