1. Please refer to TECO’s response to staff’s first data request, number 2. TECO provided the table from page 65 of its SPP Annual Report as a response to staff’s question. However, it appears that this table only includes costs recovered through TECO’s SPPCRC and does not include costs associated with the Company’s Distribution Vegetation Management – Unplanned, Distribution Pole Replacements, or Legacy Storm Hardening SPP programs, which are recovered through base rates.

Please provide the dollar amounts, instead of percentages, for the chart, labeled “Tampa Electric’s Storm Protection Plan ‘Total Cost’ Customer Bill Impacts (in percent),” on page 64 of TECO’s SPP Annual Status Report.

- A. The table below contains the company’s Storm Protection Plan “Total Cost” customer bill impacts in dollar amounts:
