2 CHAIRMAN FAY: All right. Commissioners, next  
3 we will be moving to Item No. 10, which will be  
4 presented by Mr. Ward this morning.

5 Mr. Ward, we will give you a minute to set up  
6 and you can begin whenever you are ready.

7 MR. WARD: Good morning, Commissioners.

8 Item 10 is a petition by Duke Energy Florida  
9 for the approval of modifications to the tariffs  
10 regarding the optional Load Profiler Online Service  
11 and the Economic Development Rider. The optional  
12 Load Profiler Online Service is available to  
13 commercial customers requesting detailed  
14 consumption data.

15 The utility is seeking to eliminate the  
16 monthly and weekly report options available under  
17 this program while lowering the costs of the daily  
18 option.

19 Staff reviewed the cost support provided by  
20 Duke, and believes this change will more accurately  
21 reflect the cost of the program to the utility.

22 Additionally, Duke is seeking to add  
23 additional criteria for determining the benefit of  
24 new or expanded load under the Economic Development  
25 Rider.

1           Lastly, the utility is seeking to make  
2           non-substantive changes to the standard service  
3           agreement for customers who participate in the  
4           economic development rider, including adding a line  
5           to display the customer's percent discount offered  
6           under the Economic Development Rider.

7           Staff believes the proposed tariff changes are  
8           reasonable and recommend approval.

9           CHAIRMAN FAY: All right. Commissioners, we  
10          have a summary on Item No. 10. I will entertain  
11          any questions.

12          With that, I will take up a motion on Item No.  
13          10.

14          COMMISSIONER CLARK: Move to approve staff  
15          recommendation, Mr. Chairman.

16          COMMISSIONER GRAHAM: Second.

17          CHAIRMAN FAY: Okay. A motion and a second  
18          for approval of staff recommendation on Item No.  
19          10.

20          All that approve say aye.

21          (Chorus of ayes.)

22          CHAIRMAN FAY: Showing none opposed, Item 10  
23          passes unanimously.

24          Thank you, Mr. Ward.
