QUESTION:

FPL's 2023 TYSP, Schedule 2.2, column (16) Sales to Ultimate Consumers, indicates that FPL's 2022 retail sales reached a peak for the past 10-year period. Please identify the major contributor(s) to this significant incremental annual sales increase.

RESPONSE:

FPL's 2022 retail sales reached a peak for the past 10-year period due to continued growth in the number of retail customers along with warmer than normal weather conditions, which resulted in higher retail sales.
