**Re: *Metropolitan Telecommunications of Florida, Inc. d/b/a MetTel  
Withdrawal of Florida Price List No. 2***

Dear Mr. Teitzman:

Effective July 1, 2023, MetTel ceased billing for Switched Access services. Rate reductions, mandated by the FCC over the last number of years, have reduced switched access rates to a level where it is no longer economical to continue billing for these services. Calls originating from and terminating to MetTel end users will continue to be completed normally by the underlying ILEC from whom MetTel purchases end user lines.

Consequently, MetTel respectfully requests withdrawal of Florida Price List No. 2 in its entirety.

If you have any questions, please do not hesitate to contact me.

Respectfully submitted,

**/s/ John Rossi**
