Complaint: Other Complaints against Tampa Electric Company  
Details:

Electric bill is out of control. Higher than last year and we cut back our energy usage. \$365 is an insane amount of money. We need competition. 2800 s.f. with a/c set at 80. 3 occupants. Bring rates down. Or make them comparable to square footage of the home. Shouldn't pay a blanket rate above 100kwh s.f. should be factored in
