**COMPLAINT INFORMATION**

Complaint: Other Complaints against Pluris Wedgefield, LLC

**Details:**

A letter was received from our water company, Pluris, basically can be interpreted as them stating that since we are pursuing having the county buy them out that they are going to pursue a rate increase. Please do not entertain this request. The water bills are already triple what the rest of the county pays and the water isn't fit for drinking, often smells bad and stains loads of laundry. Seems they are "teaching us a lesson" with this announcement!
