DESCRIPTION: PGSI (Ponder) - (CONFIDENTIAL) Revised response to staff's 3rd set of interrogatories (No. 67), Bates page 91.

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Peoples Gas System, Inc. (PGS) requests confidential classification of certain information contained in its revised response to Staff's Third Set of Interrogatories, No. 67.

Specifically, PGS requests confidentiality of this information pursuant to Section 366.093(3)(d), F.S., which states: "Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and Section 366.093(3)(e), F.S., which states: "Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." The information provided in the revised response to Interrogatory No. 67 can be described as a revenue requirements model that includes information that was provided to PGS on a confidential basis by an environmental credit market broker. Staff has reviewed PGS's confidentiality request for its revised response to Interrogatory No. 67 and determined that disclosure of the confidential information identified in this response could impair PGS's future business negotiations. Therefore, staff recommends that this information meets the criteria for confidential classification pursuant to Section 366.093(3)(d) and (e), F.S.
