Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL or Company) requests an extension of confidential classification of certain information originally filed in Docket No. 20210001-EI, dated July 27, 2021.

The Company is claiming confidentiality of its filing under Section 366.093(3)(d), F.S., and Section 366.093(3)(e), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (d) “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms,” and Subsection (e) “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.”

More specifically, the information consist of pricing information for capacity purchases between Gulf Power Company (GPC), now known as FPL, and various counterparties. The negotiated pricing between GPC and the counterparties are specific to the individual contracts and are not publicly known. GPC claims that disclosure of this information would negatively impact GPC’s (FPL’s) ability to negotiate pricing favorable to its customers in future capacity contracts.

Staff has reviewed the extension of confidentiality request. It is staff’s opinion the materials associated with this request continues to meet the criteria for confidentiality contained in Section 366.093(3)(d), F.S. and Section 366.093(3)(e), F.S.
