Re: Docket No. 20230033-SU - Application for transfer of wastewater Certificate No. 562-S of TKCB, Inc. to CSWR-Florida Utility Operating Company, LLC, in Brevard County.

Dear Ms. Watts:

In its March 13, 2023, Application, CSWR-Florida Utility Operating Company, LLC (“CSWR-Florida UOC” or the “Company”) requested a positive acquisition adjustment. The Company withdraws that request for an acquisition adjustment as part of this transfer docket.

On August 16, 2023, the Company received Staff’s First Data Request, requesting additional information relating to certain factors relevant to the requested acquisition adjustment. Now that CSWR-Florida UOC has withdrawn its request for an acquisition adjustment as part of this docket, we trust a response to the First Data Request is no longer needed or relevant but if otherwise or we can provide additional information in support of the Application, please let me know. Thank you for your continued assistance.

Sincerely,

/s/ Thomas A. Crabb
