Issue 2: Should this docket be closed?

Recommendation: No. Disposition of this petition for a waiver or variance serves only to extend the deadline for the Florida Power & Light Company to submit its petition and documentation supporting the review and true-up of the total actual incremental storm restoration costs related to Hurricanes Ian and Nicole. This docket should remain open until that review is complete and the Commission has approved the final disposition. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, a consummating order should be issued granting the petition and this docket should remain open.
