You are correct, the petition title does not contain the word "consolidated". The word does show up in the transmittal letter, which is what I was looking at. Having said that, we do not need the word consolidated.

Sorry for any confusion.

Good afternoon, Elisabeth,

CLK will update the docket title per your request below. However, it is noted that the petition title does not include the word "(consolidated)." Are you specifically requesting that that information be included in the docket title?

Thank you for your help,
Dorothy

The title for the above docket is incorrect in CMS.

Please use the title from the petition: Petition for approval of swing service rider rates for January through December 2024, by Florida Public Utilities Company (Consolidated).

Thanks

Elisabeth
