2. Please state when TECO will notify customers of the proposed base rate increase to be effective January 2024. Please discuss all planned customer notifications.
- A. Tampa Electric will provide the customer communications listed below. Bill communications will be provided beginning with the first day of the December billing cycle, or December 4, 2023. The website will be updated with onserts a few days prior to the first billing cycle of December.
- **Billing Onserts** – A full-page, detailed notification that accompanies the paper billing statement. These are produced for Residential/Small Business, and Commercial and Industrial customers. They are also posted on the Tampa Electric website (see link below).
  - **Important Message** – This “important message” appears on the billing statement making Lighting customers aware of the rate increase. This message includes a link to view the detailed onsert on Tampa Electric’s website (see link below).
  - **Paperless Notification Email** – A message appearing on the paperless notification makes Residential/Small Business, Commercial and Industrial, and Lighting customers aware of the rate increase. The message includes a link to view the detailed onsert on Tampa Electric’s website (see link below).
  - **Webpage** – The full-page billing onserts are posted in PDF format on Tampa Electric’s website. See previous examples at <https://www.tampaelectric.com/company/ourpowersystem/aboutyourrates/customercommunications/>.
