Subject: Wedgefield - Pluris Water Customer

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I have been a resident of Wedgefield for 31 years. Unfortunately, my residence is subject to the issues with Pluris Water Company, the terrible water quality and the extremely high rates. Orange County, I understand, is in the process of an appraisal to purchase and Pluris had agreed NOT to raise rates during this time. The rates are already extremely high and now they are requesting an **interim rate hike** during this period.

Please do not approve this interim rate hike. It is simply not fair, especially during this period.
