RE: Docket No. 20220061-SU; Application for Transfer of Wastewater Certificate No. 318-S from BFF Corp to CSWR-Florida Utility Operating Company, LLC, in Marion County

Docket No. 20220062-WS; Application for Transfer of water and wastewater facilities of C.F.A.T. H2O, Inc., Water Certificate No. 552-W, and Wastewater Certificate No. 481-S to CSWR-Florida Utility Operating Company, LLC, in Marion County

Docket No. 20220063-WS; Application for transfer of water and wastewater facilities of Tradewinds Utilities, Inc., Water Certificate No. 405-W, and Wastewater Certificate No. 342-S to CSWR-Florida Utility Operating Company, LLC, in Marion County

Dear Ms. Watts:

The transfer orders issued in the referenced dockets require a status update if the sale is not finalized within 60 days. As the Tradewinds Utilities, Inc., BFF Corp., and CFAT H2O, Inc. systems are under common ownership, CSWR has a single purchase agreement with the owner for all three of the systems. CSWR's purchase of these systems has not yet been finalized. Closing is currently expected within the next 30 days. As soon as closing takes place, we will file the executed and recorded deeds and other documents required by the transfer orders. If closing remains pending after 30 days, we will file another status update. Thank you again for your time and assistance with these dockets.

Sincerely,

*/s/ Thomas A. Crabb*
