Docket No. 20230001-EI

Dated: October 19, 2023

**DUKE ENERGY FLORIDA LLC'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits its First Request for Extension of Confidential Classification for certain information provided in the Direct Testimony of Anthony Salvarezza and Exhibit No. ___ (AS-1), Exhibit No. ___ (AS-2) and Exhibit No. ___ (AS-3), filed in docket number 20220001. In support of this Request, DEF states:

1. On April 22, 2022, DEF filed a Request for Confidential Classification (document number 02598-2022) regarding certain information contained in the Direct Testimony of Anthony Salvarezza and Exhibit No. ___ (AS-1), Exhibit No. ___ (AS-2) and Exhibit No. ___ (AS-3), as it contains information that is “confidential proprietary business information” under Section 366.093(3), Florida Statutes.

2. DEF’s April 22, 2022 Request was granted by Order No. PSC-2022-0167-CFO-EI on May 2, 2022. The period of confidential treatment granted by that order will expire on November 2, 2023. The information continues to warrant treatment as “proprietary confidential business information within the meaning of Section 366.093(3), F.S. Accordingly, DEF is filing its First Request for Extension of Confidential Classification.

3. DEF submits that the confidential information contained in the Direct Testimony of Anthony Salvarezza and Exhibit No. ___(AS-1), Exhibit No. ___(AS-2) and Exhibit No. ___(AS-3), identified in Exhibit “A” and Exhibit “C” to the April 22, 2022, Request¹ continues to be “proprietary confidential business information” within the meaning of section 366.093(3), F.S. and continue to require confidential classification. *See* Affidavit of Anthony Salvarezza at ¶¶3-5, attached as Revised Exhibit “D”. This information is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public. Pursuant to section 366.093(1), F.S., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the Public Records Act. *See* Affidavit of Anthony Salvarezza ¶¶ 5-6.

4. Nothing has changed since the issuance of Order No. PSC- 2022-0167-CFO-EI on May 2, 2022, to render the information stale or public such that continued confidential treatment would not be appropriate. Upon a finding by the Commission that this information continues to be “proprietary confidential business information,” it should continue to be treated as such for an additional period of at least 18 months and should be returned to DEF as soon as the information is no longer necessary for the Commission to conduct its business. *See* §366.093(4), F.S.

5. WHEREFORE, for the foregoing reasons, DEF respectfully requests that this First Request for Extension of Confidential Classification be granted.

¹ DEF hereby incorporates Exhibits A, B, and C to the original Request, Document No. 02598-2022 submitted on April 22, 2022 in Docket Number 20220001-EI as if attached hereto

RESPECTFULLY SUBMITTED this 19th day of October, 2023.

Docket No. 20230001-EI

Dated: October 19, 2023

**AFFIDAVIT OF ANTHONY SALVAREZZA IN SUPPORT OF
DUKE ENERGY FLORIDA'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Anthony Salvarezza, who being first duly sworn, on oath deposes and says that:

1. My name is Anthony Salvarezza. I am over the age of 18 years old, and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's First Request for Extension of Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the General Manager of Regional Services. I am responsible for leading and directing project engineering, project management, outage management, business planning and specialized maintenance in Regulated and Renewable Energy. My major duties and responsibilities include providing safe, reliable, efficient, economic, environmental, and regulatory compliant maintenance activities through the development and implementation of processes and programs.

3. DEF is seeking its first extension of confidential classification for certain information contained in my direct testimony and Exhibit No. ___(AS-1), Exhibit No.__(AS-2), and Exhibit No.__(AS-3) filed in the 20220001 docket. There are no changes to the information contained in DEF's confidential Exhibit A, redacted Exhibit B, and justification matrix C. The referenced Exhibits are on file with the Clerk. DEF is requesting an extension of confidential classification of this information because it contains sensitive business information, the disclosure of which would impair the Company's competitive business and ability to contract for goods and services on favorable terms.

4. The confidential information at issue relates to proprietary third-party and technical information regarding the third-party's proprietary component design and operation parameters, the disclosure of which would impair the third-party's competitive business interests, and if disclosed, the Company's competitive business interests and efforts to contact for goods or services on favorable terms. In order to contract with third-party vendors on favorable terms, DEF must keep third-party proprietary information confidential.

5. Further, if DEF cannot demonstrate to its third-party vendors and others that may enter contracts with DEF in the future, that DEF has the ability to protect those third parties' confidential and proprietary business information, third parties will be less likely to provide that information to DEF – harming DEF's ability to prudently operate its business. DEF has not publicly disclosed the information. Without DEF's measures to maintain the confidentiality of this sensitive business information, DEF's ability to contract with third parties could detrimentally impact DEF's ability to negotiate favorable contracts, as third parties may begin to demand a "premium" to do business with DEF to account for the risk that its proprietary

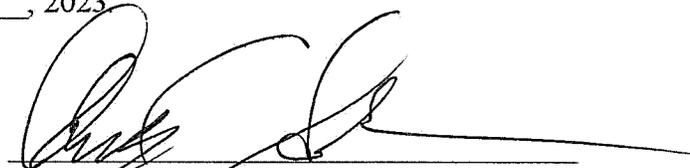

information will become a matter of public record, thereby harming DEF's competitive interests and ultimately its customers' financial interests.

6. Upon receipt of its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information and contracts. At no time since receiving the information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information at issue as confidential.

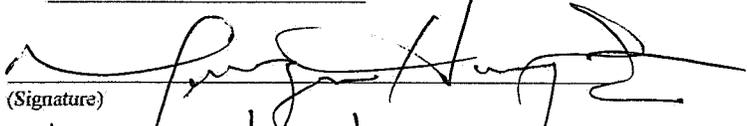

7. This concludes my affidavit.

Further affiant sayeth not.
