Good Day !

Ref : FPSC Docket No. 20210015 FPL Account No. 26582 57510

Senior Citizen Veteran Pertinent Feedback & Request :

Your predecessor Mr. E. Silagy, and also the Office of Public Counsel were able to mistakenly convince

the FPSC that individuals such as myself would not object to being monetarily penalized for our Lower

monthly KWH usage, when in essence I can honestly assure your office of the contrary.<<<<<

In retrospect FPL instead of commending, and also rewarding me for my diligent sacrifice

have chosen to monetarily penalize me for no good cause.<<<<<

I am retired and living on a fixed income, and I have numerous medical expenses at present.

I also suffer from PTSD.

I would sincerely appreciate your office discontinuing the monetary penalization

that I have been subjected to in the interest of my health, and also well being.

Thank You for Your Time, and also Sincere Consideration Mr. Chairman.

Note: The Veterans Administration has been copied.

Respectfully,

Michael J. Walsh
