Good Day !

Ref : *FPSC* Docket No. 20210015 *FPL* Account No. 26582 57510

Senior Citizen Veteran Pertinent Feedback & Request :

Your predecessor Mr. E. Silagy, and also the Office of Public Counsel were able to mistakenly convince

the *FPSC* that individuals such as myself would not object to being monetarily penalized for our Lower

monthly *KWH* usage, when in essence I can honestly assure your office of the contrary.<<<<<

*In retrospect **FPL** instead of commending, and also rewarding me for my diligent sacrifice have chosen to monetarily penalize me for no good cause.<<<<<*

I am retired and living on a fixed income, and I have numerous medical expenses at present.

*I also suffer from **PTSD**.*

I would sincerely appreciate your office discontinuing the monetary penalization that I have been subjected to in the interest of my health, and also well being.

Thank You for Your Time, and also Sincere Consideration Mr. Chairman.

Michael J. Walsh
