Thank you for the confirmation, Emily. Per your request, the docket title was updated to reflect the company name to include the comma between the words Acquisitions and LLC. I have also updated the utilities for the docket.

Subject: DN 20230117-WS - Docket Title

Good afternoon, Dorothy,

For Docket No. 20230117-WS, there was a note on the utility's application: "Buttonwood's name in application does not include comma as shown in MCD." I verified via the Florida Division of Corporations (see below) that the name does include the comma. So the note is correct that the utility's name should be Sun Communities Acquisitions, LLC d/b/a Buttonwood Bay Utilities, as listed in MCD. This appears to be a scrivener's error as there has been no name change. Whenever is convenient, would it be possible to update the docket title to add the missing comma?
