Re: Sunlake Estates Utilities, LLC; Application for staff assisted rate case (SARC)

Dear Mr. Teitzman,

A member of the Commission staff pointed out to me today that in my filing of October 16, 2023, requesting a staff assisted rate increase for Sunlake Estates, I inadvertently referred to the utility as "Sun Communities d/b/a Sunlake Estates". The correct name for the utility is Sunlake Estates Utilities, LLC.

Secondly, that letter only refers to a request for an increase in rates for "water service" and it should have referred to a request for increases in both water and wastewater services.

Finally, I note that while the application correctly contained the appropriate certificate numbers on page 1 for both water and wastewater, some previous filings have included the wrong certificate numbers. The correct certificate numbers are 665-W and 569-S. We will try and correct that on all filings going forward.

If you have any questions in this regard, please let me know.

Sincerely,

F. Marshall Deterding  
Of Counsel
