Docket No. 20230097-GU – Petition for approval of safety, access, and facility enhancement program true-up and 2024 cost recovery factors, by Florida City Gas.

Issue 1: Should the Commission approve FCG's proposed SAFE tariffs for the period January through December 2024?

Recommendation: Yes. The Commission should approve FCG's proposed SAFE tariff for the period January through December 2024. After reviewing FCG's filings and supporting documentation, the calculations of the 2024 SAFE factors appear consistent with the methodology approved in the 2015 Order and are reasonable and accurate. Furthermore, staff recommends that the Commission approve FCG's proposed 10-year SAFE investment and construction schedule. The proposed tariffs, provided in Attachment B of staff's memorandum dated October 27, 2023, should be effective for the first billing cycle in January 2024 through the last billing cycle of December 2024.
