Dear Ms. Watts:

This letter is to provide another status update regarding the purchase of the systems in the above-referenced dockets. Closing on the purchase of these systems has not yet occurred. The Tradewinds Utilities, Inc., BFF Corp., and CFAT H2O, Inc. systems are under common ownership, and CSWR has a single purchase agreement with the owner for all three of the systems. CSWR currently expects to close by November 30, 2023. As soon as closing takes place, we will file the executed and recorded deeds and other documents required by the transfer orders. If closing should remain pending at November 30, 2023, we will file another status update. Thank you again for your time and assistance with these dockets.

Sincerely,

/s/ Thomas A. Crabb
