RE: Docket #20230122

To the Honorable Members of the Public Service Commission:

In keeping with the concerns expressed by many of my constituents, please request that Tampa Electric Company do the required cost of service study ahead of any base rate changes contemplated for next year.

It is important that residential customers not unfairly bear more than their share of the burden in this time of rapidly escalating cost of living for consumers.

Sincerely,

A handwritten signature in black ink that reads "Harry Cohen". The signature is written in a cursive style.
